The City of Hartford provides one 95-gallon garbage cart per household or participating commercial user. Each cart will be numbered and assigned to a specific address. If more than one cart is needed, please contact City Hall at 334-588-2245 for cost of additional cart(s).

The cart is the property of the City of Hartford. If you move, the cart must stay at the current address. If the cart is removed from the assigned address, the cost will be deducted from the utility deposit on file.

If your cart is damaged through normal use, the City will repair or replace it at no cost to you. The City is not responsible for repair or replacement of the container when it is damaged because of customer abuse or neglect.

Your cart shall be placed street side by 6:30 am the morning of your garbage collection day. To prevent damage or theft of the cart, empty cart should be removed from curbside.

ALL garbage MUST be inside cart. Placing anything on top of cart will result in cart NOT being serviced. Call 334-588-2245 for additional information
